Rated 5 out of 5 by Lodge from Great grates. Work well. I actually bought 2 of these. One for my Summit gas grill, and a second for my SmokeFire. Works great with the gourmet BBQ system accessories. The wok and pizza stone are especially useful. Would recommend to any serious grillor or BBQer. Date published: 2021-09-09 Rated 5 out of 5 by Anonymous from New grills just received the grills this week. Good quality and easier to clean than the cast iron one we had before. Quite happy with them Date published: 2021-05-16 Rated 2 out of 5 by Robert41 from Great idea Not built for Ex6 it fits but to fit over the center the sides are open. Weber needs to make one specifically for the ex6 Date published: 2021-05-14
